

## Health and Safety Policy

**At SWP Concrete Solutions health and safety is of the utmost priority. We strongly believe that all incidents are preventable and encourage all our employees to challenge what they believe to be an unsafe condition and not ignore a potentially dangerous situation.**

SWP Concrete Solutions believe that nothing is more important than ensuring adequate time is allowed to ensure all jobs are done in a safe manner.

### **Our statement of general policy is:**

- to provide adequate control of the health and safety risks arising from our work activities;
- to consult with our employees on matters affecting their health and safety;
- to provide and maintain safe plant and equipment;
- to ensure safe handling and use of substances;
- to provide information, instruction and supervision for employees;
- to ensure all employees are competent to do their tasks, and to give them adequate training;
- to prevent accidents and cases of work-related ill health;
- to maintain safe and healthy working conditions; and to review and revise this policy as necessary at regular intervals.
